Chris Harper is Senior Vice President, Head of IT, Chief Information Security Officer at Research Affiliates. Research Affiliates is a global leader in smart beta, factor investing, and asset allocation. The firm creates investment strategies and tools based on award-winning research and delivers these solutions in partnership with some of the world's premier financial institutions. Chris joined Research Affiliates in 2012 and oversees the Information Technology team, which is responsible for IT infrastructure and security, and end-user support.

Prior to joining Research Affiliates, Chris was a senior network engineer and IT consultant for Miles Consulting Corporation.

Chris received his Bachelor of Arts in social sciences with an emphasis in economics from the University of California, Irvine.
