Li Liang is Senior Vice President, Strategy Research, Equity Strategies at Research Affiliates. Research Affiliates is a global leader in smart beta, factor investing, and asset allocation. The firm creates investment strategies and tools based on award-winning research and delivers these solutions in partnership with some of the world's premier financial institutions. Li joined Research Affiliates in 2022 and supports the systematic equity strategies and cross-sectional research underlying the firm's smart beta and active equity offerings.

Prior to joining Research Affiliates, Li was a portfolio manager at WorldQuant and a quantitative strategist at Bank of America Merrill Lynch.

Li received his Bachelor of Science and Master of Science in computer science from City University of Hong Kong, and his Master's in Computation for Design and Optimization from the Massachusetts Institute of Technology.
