Veddad Zahiragic is Senior Vice President, Head of Enterprise Systems at Research Affiliates. Research Affiliates is a global leader in smart beta, factor investing, and asset allocation. The firm creates investment strategies and tools based on award-winning research and delivers these solutions in partnership with some of the world's premier financial institutions. Veddad joined Research Affiliates in 2016 and oversees the Enterprise Systems team, which is responsible for the design and implementation of custom enterprise applications, systems integration, and cloud native software development.

Prior to joining Research Affiliates, Veddad was lead software developer at CompuSight Corporation.

Veddad received his Bachelor of Science in computer science and electrical engineering from Jacobs University, Bremen, Germany.
